CLASS DESCRIPTION

Creative Movement - A class developed for children 2 & 3 yrs of age in which basic gymnastics, song and dance games are used to develop motor skills and self-confidence. A parent should accompany the child to class.

Pre Ballet/Gymnastics - This class is for students 4 years of age planning on continuing either dance or gymnastics training and/or wanting to improve their self-confidence. Part of the class is dedicated to introducing students to basic ballet movements in order to help develop coordination and balance. The remainder of the class introduces basic gymnastic & tumbling routines to help improve motor skills.

Beginner Ballet/Tap – Beginner class in which proper technique, terminology and core strengthening is taught in ballet. Rhythm and musical timing are taught in tap with basic choreography movements.

Hip Hop - Hip Hop is the newest contemporary dance craze incorporating jazz, street dance and a style called funk. Students need no former dance training to take this class.

Gymnastics – This class teaches one to achieve maximum strength & flexibility. Class is devoted to tumbling & intricate flexing skills, starting with the basics at Beginner Level & progresses in difficulty at each level.
