

Dear friends and family,

We are excited to share another year of dance with you all!

We have enclosed the new schedule with your child/children's class circled, and the brochure with important information.

Note the changes:

- Difference in class days and times.
- There will be no gymnastics this year due to multiple factors.
- Changes to tuition rates.

We are blessed to move forward to another year, year 26 to be exact!

These are the current ways we are planning to keep your children safe and healthy:

- The waiting room will be closed during class times.
- Teachers and helpers will be wearing masks.
- We will disinfect the studio before each class.
- Each student will have a six-foot square space in which to dance.
- Sanitizing stations will be set up upon entrance and exit from the studio.
- Please note: not to send your child to class if they are sick or if anyone in the household is sick.

To ensure your child's spot please read the following information carefully!

- Class size will be limited in order to follow CDC guidelines; although we are blessed with sufficient amount of space. Thank you Lord!
- To ensure your child's spot, please send in your registration form filled out with your registration payment to: The Dance Center, 5263 Madison Pike, Independence, Ky 41051, no later than **Monday August 17th.**
- Please do not consider your child registered unless you have sent in your registration form with the registration payment. No registrations will be accepted over the phone or email.

Even though there are many changes and restrictions at this time, we are choosing to have a thankful and joyful heart. With the Lord's help we can create a fun and exciting environment for our 20/21 season of dance. We hope you all will join us this year as we share the joy of dance!

With love and thankfulness,
The Dance Center Staff
